## MCC Club Representatives 2016/2017

The Ontario Curling Association encourages and facilitates the growth and development of curling in cooperation with it's network of member curling clubs and other curling associations. This provincial body they provide loans/grants; education & training for ice technicians & coaching staff; act as a supplemental resource in any external funding initiatives and organize zone/regional/provincial competitive events.

Within each Zone/Region member clubs may send representatives. There are three (3) volunteer positions where clubs members may wish to contribute to the overall well being of curling within the province: Mens, Womens and Youth. Our club is very fortunate in that

we have two long standing members who have served curling and our club with distinction in these roles:

OCA (Men) rep: Karl Jensen

OCA (Women) rep: Nancy Fletcher

This year MCC welcomes Isabelle O'Reilly as the OCA (Youth) designate. Our reps attend two meetings annually and also serve as the point of contact when vetting members who are registered in any competitive OCA events.
