- Development of the Strategic Plan
- Review of fee structures with member input
- By-law review.

John wished to thank the Youth programs coordinators (Chris Innes and Michael Coldwell) for their success with the Youth program and their accomplishments this year.

John also thanked all those who volunteered their time with the club.

The new By-laws were reviewed and accepted. The new By-Laws will be posted on our website in the next few weeks.

PRESIDENTIAL CORNER

As we enjoy our well-earned summer; curling is likely far from your mind. You should know that your board is hard at work to keep providing MCC with exceptional service. This off-season, maintenance to the club will occur. You may notice some changes in October to the facility. Our new bar director is working on arranging our bar suppliers, we have a new director of curling who will work with convenors to organize leagues, our special events director will be planning this year's bonspiels, and communications director is working at keeping everyone up-to-date with the changes. Registration is in full swing requiring many volunteer hours. The new amazing software, including an app for

your phone, should be ready for the fall; we'll be providing training and options for those not computer savvy. Thanks to Ron Knight and Jim Stewart, you can now pay for registration by E-Transfer: Send E-Transfers to payments2.mcc@gmail.com. No security question is needed – as the money is deposited automatically.” Enjoy the summer. See you at the end of September.

LADIES LEAGUE CONVENERS

Next year's *Tuesday Night Ladies League* conveners will be Kim Davis (kimldavis@icloud.com) and Kathy Arntfield (karntfield@hotmail.com). We encourage all ladies regardless of age, skill, or experience to register. The league is looking to expand into two draws (6:45 and 9 p.m.). Join as a team or an individual. If you are a team looking for a player or a player looking for a team contact us; we will do our best to assist. Early registration would be helpful.
