The Hogg Liner by Harry Hogg

These days we're just too serious. Where's the fun in life??? Covid this, Covid that. So, instead of (yawn) curling facts, I've gathered some curling funny stuff for you. This is high end, quality humour, guaranteed to improve your rotten mood. You're welcome.

I never take curling for granite.

Curling: Think you got the stones?

Q: What's the best pick-up line for a curler?

A: Your house or mine?

Q: What do you call a curler with insomnia?

A: Sweepless.

Q: What were you going to say about that end?

A: Nothing. I'm drawing a blank.

Q: What's a curler's favourite kind of food?

A: Take out.

Q: Why are curlers such great artists?

A: They all know how to draw.

Q: How do the captains of curling teams get around?

A: They skip.

Heads Up!

Watch for an email from the Board within the next few days with the results of the masking survey and the resulting decision.
