Fast Facts

Opening Day

The first day of curling this season is **Tuesday, October 11**.

Protocols

All protocols have been removed, subject to any future requirements put in place by Ottawa Public Health. Masking is therefore an option.

Fall Bonspiels

Opening Spiel - Oct 21-22

For MCC members, a great chance to meet new members and kick-off the curling season. Watch for the sign-up before the season starts.

Turkey Spiel - Nov 25-26

For MCC members, the return of the Turkey Shoot-out, dinner and live music. Watch for the sign-up in November.

Board Minutes

Minutes of the June 14th, 2022 AGM are posted on the website under Member's Home. The drop-down indicates Board Meeting Minutes. Look for the AGM minutes there.

World Men's Curling Championship

Ottawa is pleased to be hosting the 2023 World Men's Curling Championship. **It will be played April 1-9, 2023 at TD Place in Ottawa.** If you are interested in information about **volunteering** at this event, please click on this link: <https://www.curling.ca/>

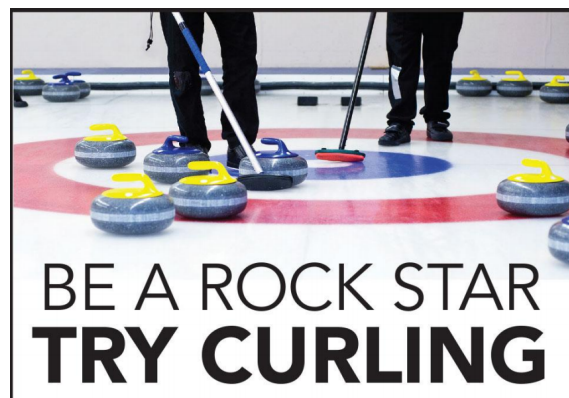

Registration Update

Three weeks prior to our club opening, **our membership stands at just under 500**, an overall increase of 11% from last year. Registration for the 2022-23 season has exceeded projections with several weeknight and weekend evening leagues increasing the number of teams. Demand for the weekend leagues has been so great that we have also added additional draw times. Conversely, the daytime leagues have maintained subscription levels equivalent to or slightly less than previous years to this point.

We have seen excellent retention from last year's Learn to Curl membership and are on track for another successful year with over 50 new members.

Finally, we are pleased to report that our youth programs are on track for a successful recovery after several years of restrictions with limitations on membership.

Packages for the Men's World Curling Championship

If you think you might like to attend the **Men's World Curling Championship** please take note of the following.

A new **Rock Our House Competition** is being held, similar to previous competitions where club members, family, or friends can purchase event passes using our club's unique direct link to Ticketmaster or by accessing Ticketmaster through the general link and entering our club code:

Code: MANOTICK <https://am.ticketmaster.com/lansdowne/promotional-page?filterType=NjU=>

Each time our club is tagged in the purchase of an event package, we will earn credits toward rewards in the form of free event passes, to use as we wish eg. a fundraising raffle, volunteer recognition, league or bonspiel prizes.

Remember that you can share the Manotick link/code with family and friends.

Club promo codes are valid for the following packages (Prices are shown before standard facility and Ticketmaster service fees):

- **Premium Full Event Package (\$439)**
- **Standard Full Event Package (\$399)**
- **Premium Championship Weekend Package (\$229)**
- **Standard Championship Weekend Package (\$199)**

Competition begins on September 13th and closes December 31, 2022.

All event passes, weekend passes and rewards will be mailed to the club in January/February, 2023.

Hopefully many of you, your family and friends, will take advantage of seeing this exciting curling event right here in Ottawa! And in purchasing a package, you are helping our club earn reward credits.

A letter from the Manotick Best Summer Camp (MBSC)

Thank you to the Manotick Curling Center for your cooperation and support of our camp, Manotick's BEST Summer Camp!

We had a wonderful summer together making new friends and memories at camp. We are looking forward to another summer at MCC, supporting the Manotick community's families who need safe and fun activities and supervision for their children throughout summer.

It is our mission to provide a quality and affordable program for local parents, fun and exciting experiences for children, as well as valuable skills and training for our youth staff team.

Thank you again to the team at MCC, and all the Curlers who support our mission and make Manotick's BEST Summer Camp possible! Have a safe and fun Curling season this winter and Hurry Hard!

MBSC Team

The MCC Board of Directors is very happy with the partnership we have developed with the Manotick's Best Summer Camp. We have benefitted from their rental income as well as from the opportunity to become more involved in our community. We look forward to continuing this relationship in the coming summers.
